The SERVICEMAN:

Hi, gang. This week we have a "budding" poet in our midst. With the help of a buddy of his, Pvt. David Wilson dreamed up a little thing that's purty durned good! Here's his letter:

FORT BENNING, GEORGIA
March 19,:52

Hi, Reecos:

Well, here we are in the most lovely post in the U.S.A. Fort Benning, Ga.! The land of lovely peaches--(all kinds.)

How's the old hometown since I left? Everyone fine, I hope. I have a little cold, from coming from a wet state to a dry one--so I have a little cough.

Believe me--when they say Benning is a nice post! The Fort is for the Officer's training, and all the post is mostly for Airborne 13th A.A. Div--17th A.A. Div.--11th A.A. Div.--and 82nd A.A. Div.---and the famous 101st "Screaming Eagle Bird". Mine is the 82nd A.A.

Now, this is a little something a couple of airborne men and myself wrote and those don't get the impression that I'm lovesick!----

SITTING ON MY G.I. BED--
MY G.I. HAT UPON MY HEAD--
MY G.I. PANTS, MY G.I. SHOES--
EVERYTHING FREE, NOTHING TO LOSE.
G.I. RAZOR, G.I. COMB--
BUT G.I. WISH THAT I WAS HOME!
THEY ISSUE EVERYTHING WE NEED--
PAPER TO WRITE ON, BOOKS TO READ--
THEY ISSUE FOOD TO MAKE US GROW--
BUT, G.I. WANT A LONG FURLOUGH!
EVERYTHING FREE, NOTHING TO BUY--
YOUR BELT, YOUR SHIRT, YOUR G.I. TIE--
YOU EAT YOUR CHOW FROM A G.I. PLATE,
AND SPEND YOUR FUNDS AT A G.I. RATE.
IT'S G.I. THIS, G.I. THAT--
G.I. HAIRCUT, AND G.I. HAT--
EVERYTHING IS GOVERNMENT ISSUE;
BUT, G.I.'d LOVE TO KISS YOU!

(dedicated to all the lovely girls we know)----- from PVT. DAVE WILSON---
R.A. 19-436-432
A. CO. ABN Bn 1st STU.REGT.

Well, thanks Dave---that is one swell letter. Welcome to the club--(poetry, that is.) Inkadinkly--here's a little "pome" I ran across t'other day:

I'M IN A 10DER MOOD TODAY--
& FEEL POETIC, 2;
4 FUN, I'LL JUST-----OFF A LINE
& SEND IT OFF 2 U.
I'M SORRY YOU'VE BEEN 6 O LONG
DON'T BE DISCONSOL8;
BUT BEAR YOUR ILLS WITH 42DE
AND THEY WON'T SEEM SO GR8!

That's all, brother!---YE EDITOR.

LION'S CLUB LADIES NIGHT:

Large luscious juicy steaks, barbecued over portable barbecue pits, were enjoyed by the local Lions and their Lionesses Wednesday evening, March 26th, at the American Legion Hall on Visitacion Avenue in Brisbane. Included on the menu were various salads, relishes, coffee, and desserts. Responsible for the good job, well-done, on the steaks were Jim Williams and Ted Dagler.

While the dinner was in progress, the guest of honor was introduced to the assembled group, Judge Thomas L. Bocci. Judge Bocci gave a delightful dinner talk consisting mostly of anecdotes about politics and the trials and tribulations of justice court.

Lion Club president Cliff Mozzetti introduced new member Gene Firth, and presented him with the official Lion's Club pin. Also presented with a Lioness pin was yours truly, Gladys Rocco.

Dancing was enjoyed after dinner, with music ably played by Bob Fogleman, Roger Staton, and Johnny Rivera. During the course of the evening, the question came up as to whether or not to hold this year's annual Western Days celebration. It was suggested that it be held later in the summer---as last year's cold and windy June weather defeated the purpose of the celebration. The month of August was suggested. Another suggestion was that the "carnival" be held on the main street of town instead of down at the Recreation Center--so that all local merchants could benefit by it. These suggestions will be discussed later at the regular meeting of the Brisbane Lion's Club. Comments and suggestions in regards to the Western Days celebration are invited, and urged, from the local residents. Please drop into the Byline office in the near future and let us know if you have anything to say on the subject.

BRISBANE BEHIND IN RED CROSS QUOTA:

Now that the Red Cross Fund Drive is drawing to a close, it has been found that Brisbane has reached only 50% of it's quota. Many local residents still have the mistaken idea that donations made "on the job" in San Francisco or elsewhere will count in San Mateo County's quota. This is not true. Any amount, no matter how small, given here in Brisbane applies to San Mateo Red Cross help--and the amounts donated in the city applies to San Francisco County Red Cross help. If you have not yet given your Brisbane Red Cross donation, please call BETH DUNCAN, at JUNIPER 5-1949. Please help your neighbors to reach the 1952 quota! And remember this---if every home in Brisbane would contribute 50¢, Brisbane would have been over the top?! GIVE----NOW!!

COURSE ON SUBJECT OF NARCOTICS:

Judge Thomas Bocci recently endorsed a a plan whereby county high school students would be given a mandatory course on the subject of narcotics. His recommendation was recently approved by 150 county high school representatives, and has met with the approbation of leading educators and civic leaders. During his years as judge, Judge Bocci has been a strong advocate of measures tailored to curb the narcotics problem as well as juvenile delinquency. "I believe, that by acquainting the student body with authentic information about narcotics and their disasterous effect, we can greatly reduce the dope peril", Judge Bocci declared. Specifically he recommends a series of courses on the subject, beginning with the freshman year in high school; special conferences at which students may be informed by experts on narcotics; and the hiring of full time counselors who could devote full time to the problem. "at the same time I believe we should stiffen the penalties of those who introduce dope to teen-agers," Judge Bocci declared. "To my mind, they are the lowest type of criminal, and should be dealt with accordingly."

CIVIL DEFENSE ALERT PLANNED:

When the next civilian defense practice alert takes place on Thursday, April 3rd, it should be a complete "blow-out" instead of a "flop". Capt. Ballerich, county civil defense coordinator, recently asked any firms or individuals with noisemakers---such as factory whistles--to call the local civil defense headquarters and sign up the alarm system. (In Brisbane, call John W. Smith, of 360 San Bruno Avenue--JU 4-2121).

"We want to make as much noise as possible, so that everybody will hear the alarm," said Ballerioch.

He said that officials of factories should get in touch with the civil defense headquarters of the city in which the plant is located. If the plant is outside the city, the local fire chief should be consulted.

The next test of the outdoor warning devices will be from 10:15 to 10:30 a.m. on April 3rd. The sheriff's office will notify the local police and civil defense agencies at the time, giving the signal for start of the alert. Each city's CD headquarters then will notify the noise-making institutions. Some of the schools etc. are planning shelter drills at that time.----from the BURLINGAME ADVANCE

JEFF'S VARSITY BASEBALL:

Coach Glenn South's Jefferson High varsity baseballers evened their win-loss record for the season at 3-3 last week, when they downed Washington of San Francisco, 6-3, at Rossi Field in San Francisco. The win also evened the Jeffs' score with the Eagles, who previously had beaten the South-coached nine 6-1.

Don Wilson, third baseman, was the Jeffs' big hitter for the day with three for four. He also started the Jeffs' big three-run, final inning rally by singling off the Eagles' Joe Larsen; Mario Loveroni contributed a double to the rally; and Bryan McMahon slapped another single to help things along.

Don Dolbon, starting pitcher, and Joe Lewkowitz, who relieved, together limited Washington to six scattered blows and whiffed a total of seven batters. Larsen gave up nine hits and struck out three.

South's team was in action again later, meeting Balboa in San Francisco.

Jeff's line-up includes Wilson, Rosa, Maynard, Loveroni, McMahon, Dolbon, Lewkowitz, Trantham, Earnshaw, and Galente.
